

# VSKRIBE TRANSCRIPTION SOLUTIONS

## PROFILE

# ABOUT VSKRIBE

Vskribe Transcription Solutions is a fast growing Hyderabad-based medical transcription company that offers competitive services in

- Medical Transcription
- Technology
- Outsourcing

Our mission is to provide TAT-guaranteed, HIPAA-compliant medical typing. Our Quality, TAT & Cost makes us the Right Choice for your medical transcription needs.

# VISION

- Vskribe's aims to provide high quality services and solutions from India to the English speaking world.
- To provide state-of-the-art technology coupled with a team of well-trained professionals to provide premier service level.
- Our Firm is committed to adhere to the highest standards of quality in all it's processes and commitments, encouraging at all times the partnering approach with clients, and maintaining integrity and leadership in what we offer. The firm believes in sharing its resources and earnings with its employees and the community.

# WHY VSKRIBE

## **Personal Growth**

We nurture personal growth for our people by creating a challenging environment with opportunities to learn and develop to become tomorrow's leaders. Recruiting and retaining people, who are properly trained, motivated and share a common vision based upon their goals and commitments ensures we are the best in the industry.

## **Honesty**

We build lasting relationships with our clients, employees, and partners through open and honest communications. We earn trust and respect through integrity in all our actions.

## **Confidentiality**

We guarantee a high degree of confidentiality and security in every project. All clients' information remains strictly confidential. Vskribe applauds the safeguards HIPAA will provide. They are similar to our own strict standards for the management of Member-provided health care information.

# WHY VSKRIBE

## **On-time delivery**

Our transcription teams work 24 hours a day, 7 days a week. Each document is guaranteed to be delivered within 24 hrs, or you don't pay! STAT turnaround times are also available upon request.

## **Client Focus**

We listen to clients. Understand Clients Objectives and Needs. We find solutions to meet or exceed clients needs.

## **Our People**

Our staff includes highly skilled and experienced Medical Transcriptionists, Proofreaders & Editors who together provide you with a high-quality medical transcription in all specialties.

# WHY VSKRIBE

## Quality

Our proactive process monitoring helps us achieve better than 99% accuracy. Detailed reports track every file through every step of transcription processing. An experienced team of trained medical transcriptionists assure and record the quality of every report. Vskribe uses a four-point quality check system.

## Cost Savings & Competitive Pricing

Vskribe pairs its matchless service with unbeatable prices. Regardless of the amount of volume your practice dictates, Vskribe's solutions are designed to save you money. Some practices save more than 40% on their transcription costs!!!

# INFRASTRUCTURE & FACILITY

## Legal Declarations

All our employees are required to sign the declarations and documents as per HIPAA norms. These legal documents are an important safeguard to ensure compliance with the privacy and data security norms.

## Security Audits

We audit on all our security procedures at least once every three months. We also have a fortnightly audit to check for virus updates, patches and other related areas.

## Confidentiality

We thoroughly check on the credentials and background of each employee before they start their employment with us. We avail services of professional agencies carry out this checking.

# OUR PEOPLE

Vskribe has succeeded by building a team of experienced Transcriptionists and Quality Analysts. We carefully select the most accomplished and accredited individuals who are top professionals in their respective fields.

Vskribe's transcriptionists have specialty field ranging from medicine to legal, media to IT, software localization and more. We make sure that your project is paired with an appropriately specialized transcriptionist.

## **Experience:**

Transcriptionists are recruited only if they have more than 3 years experience and are added to our active pool only once their credentials have been carefully reviewed, all of their capabilities have been carefully analyzed and they have been tested by our Proofreaders / Quality Analysts.

Our team strives hard to give out client-deliverable quality of 99% and above to live up the expectation of clients.

# OUR DIFFERENTIATORS

- ❖ We are passionately committed to delivering value and quality, on time and to budget
- ❖ We are outcome driven.
- ❖ We believe speed and quality can be complementary, not at odds.
- ❖ We have a proprietary method that gains a critical understanding of users.
- ❖ We have a proven approach and methodology that is built on quality processes that dictate collaboration, iteration and usefulness
- ❖ We deliver total solutions, not just projects.
